

19th January 2017

Dear Parent/Carer

Wheelie Wow Event – Tuesday 24th January 2017

To celebrate the start of our new geography topic we will be holding a wow event on Tuesday 24th January 2017.

We are looking at France and will focus on the Tour De France. Children are invited to bring in bikes, scooters or toys with wheels for a session on the playground in the afternoon. If your child is bringing a bike they will also need to bring a helmet. For further safety reasons we will have to say no to roller skates but children may wear heelys.

We will design Tour De France jerseys and hopefully transfer these designs to T-shirts. This should really get the children excited about the topic and we hope they come home full of enthusiasm!

If you have any questions, please contact us.

Yours sincerely
